#### **§ 407.1 Applicability.**

The provisions of this part are applicable only to those crops and crop years for which a Crop Provision is contained in this part.

#### **§ 407.2 Availability of Federal crop insurance.**

(a) Insurance shall be offered under the provisions of this part on the insured crop in counties within the limits prescribed by and in accordance with the provisions of the Federal Crop Insurance Act, (7 U.S.C. 1501 *et seq.*) (the Act). The crops and counties shall be designated by the Manager of the Federal Crop Insurance Corporation (FCIC) from those approved by the Board of Directors of FCIC.

(b) The insurance will be offered through companies reinsured by FCIC under the same terms and conditions as the contract contained in this part. These contracts are clearly identified as being reinsured by FCIC. Additionally, the contract contained in this part may be offered directly to producers through agents of the United States Department of Agriculture. Those contracts are specifically identified as being offered by FCIC.

(c) No person may have in force more than one insurance policy issued or reinsured by FCIC on the same crop for the same crop year, in the same county, unless specifically approved in writing by FCIC.

(d) If a person has more than one contract under the Act outstanding on the same crop for the same crop year, in the same county, that have not been properly approved by FCIC, all such contracts shall be voided for that crop year and the person will be liable for the premium on all contracts, unless the person can show to the satisfaction

of FCIC that the multiple contracts of insurance were inadvertent and without the fault of the person.

(e) If the unapproved multiple contracts of insurance are shown to be inadvertent, and without the fault of the insured, the contract with the earliest application will be valid and all other contracts on that crop in the county for that crop year will be canceled. No liability for indemnity or premium will attach to the contracts so canceled.

(f) The person must repay all amounts received in violation of this section with interest at the rate contained in the contract (see § 407.8, paragraph 21).

(g) A person whose contract with FCIC or with a company reinsured by FCIC under the Act has been terminated because of violation of the terms of the contract is not eligible to obtain crop insurance under the Act with FCIC or with a company reinsured by FCIC unless the person can show that the termination was improper and should not result in subsequent ineligibility.

(h) All applicants for insurance under the Act must advise the insurance provider, in writing at the time of application, of any previous applications for insurance or contracts of insurance under the Act within the last 5 years and the present status of any such applications or insurance.

#### **§ 407.3 Premium rates, amounts of protection, and coverage levels.**

(a) The Manager of FCIC shall establish premium rates, amounts of protection, and coverage levels for the insured crop that will be included in the actuarial documents on file in the insurance provider's office. Premium rates, amounts of protection, and coverage levels may be changed from year to year.

(b) At the time the application for insurance is made, the person must elect an amount of protection and a coverage level from among those contained in the actuarial documents for the crop year.
